OVERVIEW

The PGDM - Pay after Placement is a unique opportunity Ensures a deluxe experience for students to land themselves into their perfect dream job. This is quite popular in G.S Institute of Management for students who are actively looking out for excellent curriculum and career opportunities without creating a financial obligation for parents. This is designed in such a way that students do not have to pay their course fees until they have been placed. A modest amount of the fees is required upon enrollment, and the remaining fees can be paid after getting their salary payments. This would help students to rest all their financial burdens during the course tenure.
